# Bowes Brothers

Truly a band of brothers, Ed, Rod, John and Andy Bowes stay true to their roots. Born, raised and still live in their hometown Carleton Place Ontario, the Bowes Brothers have become one of Ottawa Valley's favourite bands. Balancing shows from local fairs and festivals, performing thru the Maritimes, the Bowes Brothers have shared the stage with some of

country music's best; Ricky Skaggs, Terri Clarke, Charlie Major, Paul Brandt and Stompin' Tom Connors to name a few. Performances are highly entertaining, as they bring the audience into their lives of growing up together thru humour and song that only 4 brothers could tell!
