3. PERMIT APPLICATIONS

3.1. Classes of Permits

- 3.1.1. Permits shall be classified as either a Building Permit, Demolition Permit, or combination of them, Conditional Permit, Occupancy Permit, or a Change of Use Permit.
- 3.1.2. Building Permits for signs shall be limited to signs that are classified as designated structures per Division A. of the Code and constructed on a permanent foundation. All other signs shall be regulated per the in-effect version of the Municipality’s sign by-law.

3.2. Methods for Submitting an Application

- 3.2.1. Permit applications, and the associated documents and forms, shall be submitted to the Chief Building Official by one or more of the following methods:
- 3.2.1.1. Digital submission by upload to an E-Permitting System if such system is implemented by the Chief Building Official.
- 3.2.1.2. Digital submission by e-mail to the Building Clerk at building@mississippimills.ca.
- 3.2.1.3. Digital submission by uploading to a secure and recognized online file sharing system or website, with access granted to Building Staff with prior approval by the Chief Building Official.

3.2.1.4. Subject to Subsection 3.2.3. of this By-Law, hard copy submission hand delivered or mailed to the attention of the Building Clerk at 14 Bridge Street, Mississippi Mills ON, K0A 1A0.

3.2.2. The Chief Building Official may refuse a digital submission if, after consultation with the Director of Corporate Services, the digital safety and security of the Municipality may be compromised by the submission.

3.2.3. The Chief Building Official may require that hard copy applications be accompanied by the same submission in digital format that meets the standards for digital submission and digital documents as specified by this By-Law.

3.3. Separate Permit Applications

3.3.1. Where parts of the construction or demolition proposed in an application are to take place in separate phases, stages, different portions of a building or time frames, the Chief Building Official may require the Applicant to submit separate applications for each phase, stage, portion of building or time frame of the proposed project.

3.3.2. Where the construction or demolition proposed in an application contains multiple freehold units or multiple civic addresses for one building, the Chief Building Official may require the Applicant to submit separate applications for each freehold unit or civic address.

3.4. Documents and Forms Required for Permit Applications

3.4.1. Applications for all classes of permits shall be submitted with the following minimum documents, as it relates to the proposed project:

3.4.1.1. An "Application for a Permit to Construct or Demolish" form, as prescribed by the Minister, or the same information on that form entered into the E-Permitting System;

3.4.1.2. Where the Applicant is not the Owner, a "Letter of Authorization" signed by the Owner authorizing the Applicant to apply for and obtain a permit with respect to their Property. The letter shall contain the Owner's name, email address, and phone number, the Applicant's name, the Property civic address, and the description of the proposed project;

- 3.4.1.3. Where the Owner is a corporation, proof of signing authority that binds the corporation for the individual that is completing the Application or “Letter of Authorization”;
- 3.4.1.4. A “Schedule 1: Designer Information” form, as prescribed by the Minister, for each individual who reviews and takes responsibility for design activities, unless the individual is an Engineer or Architect;
- 3.4.1.5. Where the project is of a type that requires general review in accordance with Division C, Subsection 1.2.2. of the Code, a “Commitment to General Review” form, as prescribed by the Ontario Association of Architects and the Professional Engineers of Ontario, for each Architect and Engineer who is to be retained to undertake the general review;
- 3.4.1.6. Plans, including but not limited to plan views, cross-sections, elevations, enlarged details, and schedules, containing sufficient notes, dimensions, details, and other relevant information as necessary to describe and illustrate the proposed project, and to demonstrate compliance with the Act and the Code, to the satisfaction of the Chief Building Official;
- 3.4.1.7. Where the proposed project will require evaluation of the site plan specific requirements of the Code or an Applicable Law, a site plan drawing containing sufficient information as deemed relevant by the Chief Building Official, including but not limited to the locations of existing buildings and structures, proposed buildings and structures, overhead electrical conductors, registered property lines and easements, property line setbacks, bodies of water, sewage system beds and tanks, wells, driveways, fire access routes, fire hydrants, water and sewer pipes below grade, and any other significant site features;
- 3.4.1.8. Where the proposed project is on a Property that fronts a private road, a forced road or is a waterfront property, the site plan shall be supported with the submission of a Plan of Survey and a surveyors real property report completed by an OLS, where the Property is developed, or by a reference plan where the Property is vacant.

- 3.4.1.9. Where the proposed project is on a site that has identifiable environmental hazards, including but not limited to wetlands, flood plain, erosion, or slope stability concerns, the site plan shall be supported with the submission of a Plan of Survey and a surveyors real property report completed by an OLS identifying such hazards, including topographic elevations.
- 3.4.1.10. Plans for any proposed construction, alteration, and demolition of a plumbing system, except that for Part 9 buildings not requiring general review, the Chief Building Official may accept the license number of a qualified plumber in lieu of plumbing system plans;
- 3.4.1.11. Plans for any proposed construction, alteration, and demolition of a Heating Ventilation and Air Conditioning (HVAC) system, except that for Part 9 buildings not requiring general review, the Chief Building Official may accept an HRAI license number of a qualified HVAC contractor in lieu of HVAC system plans;
- 3.4.1.12. A building code matrix, providing all the information as prescribed by a "Building Code Matrix" form from the Ontario Association of Architects, for any project that is not a house, a building ancillary to a house, or a basic renovation under Division B, Article 11.3.3.1.;
- 3.4.1.13. Where the proposed project includes a renovation of a building, that has been in existence for at least five years, an evaluation of the requirements of Part 11 of the Code;
- 3.4.1.14. Where the design proposes using an alternative solution, any documentation that the Chief Building Official deems relevant in determining whether the proposed alternative solution will achieve the same level of performance that would be required by the applicable acceptable solution in Division B of the Code, including but not limited to the documentation listed in Division C, Section 2.1. of the Code;
- 3.4.1.15. Where a new civic number(s) is(are) required, documentation from Public Works confirming the new civic number(s) and all documents associated with the application shall reflect the new civic number(s).

- 3.4.1.16. Any document that demonstrates to the Chief Building Official that the proposed project will comply with an Applicable Law;
 - 3.4.1.17. Any documents and forms that demonstrate to the Chief Building Official compliance with Part 12 of the Code and the standards referenced in that Part; and,
 - 3.4.1.18. Notwithstanding the above, the Chief Building Official may require any other plans, documents, or information, and may prescribe any other form that they deem necessary in determining whether the proposed project will comply with the Act or the Code.
- 3.4.2. Notwithstanding Subsection 3.4.1. of this By-Law, a Change of Use permit application shall be accompanied by as-constructed plans of the existing building or the part of the building where Change of Use is proposed, as well as an analysis of the requirements of Part 10 of the Code.
- 3.4.3. Notwithstanding Subsection 3.4.1. of this By-Law, a Demolition permit application shall be accompanied by an as-constructed site plan of the property identifying the building or part of the building that is proposed to be demolished, and the site plan shall include the location of the registered property lines, the location of all buildings, including buildings not being demolished, and shall indicate with dimensions the location of the building(s) relative to the property lines.
- 3.4.4. Where the scope of the project includes, or may include, disturbance of any designated substance regulated by the Occupational Health and Safety Act, R.S.O. 1990, C1, or amendments thereof, and requires Building Staff to be on-site prior to the completion of the project, one of the following documents shall be provided to the Chief Building Official, prior to any site visits or inspections being conducted. For clarity, this generally applies to any renovation or demolition on buildings that existed prior to 1990:
- 3.4.4.1. Prior to construction commencing, a designated substance report from a suitably qualified agency confirming that designated substances are not present, or
 - 3.4.4.2. After construction commences, an air quality report from a suitably qualified agency confirming that there are no designated substances present that could pose a health or safety risk to Building Staff.

- 3.4.5. Where the Applicant is requesting that the Chief Building Official issue a Conditional Permit, the Applicant shall provide in writing all the reasons, including how the construction would be unreasonably delayed if the conditional permit were not granted, to the satisfaction of the Chief Building Official, that they are requesting the Conditional Permit.
- 3.4.6. Forms prescribed by this By-Law shall be made available to the public by Building Staff, either in the Building Department office, on the Municipality's website, or within the E-Permitting System.
- 3.4.7. All documents submitted to the Chief Building Official shall include on the document a date, such as a date of issuance or date of revision.
- 3.4.8. A document submitted to the Chief Building Official shall only contain the information that is relevant to the proposed construction or demolition in the application, and any information that is not relevant shall be clearly identified on the document as such or be removed from the document prior to submission to the Chief Building Official.
- 3.4.9. Any document submitted to the Chief Building Official that is not required by this By-Law to be submitted with an application, and that has been deemed by the Chief Building Official as not relevant in the review of the application, shall be deemed to not form part of the application or the permit issuance.
- 3.4.10. A document or plan that specifies options or optional work shall clearly identify which option is being proposed in the application.
- 3.4.11. A document or plan that forms part of the design of a building submitted to the Chief Building Official shall, in the case of an Architect or Engineer who takes responsibility for the design, be stamped with the seal of the Architect or Engineer and signed by that person, and in the case of any other person required to be a registered designer in accordance with Division C, Section 3.2. of the Code, contain the information prescribed by Division C, Articles 3.2.4.7. and 3.2.5.6. of the Code and be signed by that person.
- 3.4.12. On completion of the construction of a building, or part of a building, the Chief Building Official may require a set of As Constructed Plans, including a plan of survey showing the location and confirming the elevation of the building.

3.5. Document Standards and Formats

- 3.5.1. All wording, linework, details, notes, dimensions, and other information contained on or within a document shall be legible and clear.
- 3.5.2. All drawings shall be to scale.
- 3.5.3. All wording contained on or within a document shall be in English and legible.
- 3.5.4. Digital documents shall be separated into individual files for each document type, such as plans, application form, and Schedule 1, and each file shall be named and labelled accordingly to describe its contents.
- 3.5.5. Individual digital documents shall be provided in any combination of .PDF, .JPG, .DOCX, or .XLSX file format, shall have a document size not less than 8.5"x11" and not exceeding 36"x48", and any individual electronic file size shall not exceed 100 megabytes.
- 3.5.6. Combined files in a .ZIP folder shall be in compliance with the requirements of this By-Law.
- 3.5.7. The Chief Building Official may require digital documents to be provided by an Applicant with optical character recognition (OCR) and saved in a searchable format for Building Staff review.
- 3.5.8. Where a document is a scanned copy or photographed copy, the document shall be formatted to be centered, aligned, and cropped to only display relevant information.
- 3.5.9. Hard copy documents shall be provided on paper stock, shall have a document size not less than 8.5"x11" and not exceeding 11"x17". Any hard copy documents exceeding this size may be accepted only where the documents are accompanied by a submission of the same document in digital format that meets the standards for digital documents specified by this By-Law.
- 3.5.10. Where a form, document, or plan is required by this By-Law to be signed by a person, in the case of a digital document, the signature shall be a digital signature, and in the case of a hard copy document, the signature shall be the original wet ink signature.

4. APPLICATION COMPLETENESS AND REVIEW

4.1. Payment of Fees

- 4.1.1. An application shall be accompanied by the full payment of permit fees prescribed by the Fees and Charges By-Law, calculated on the date the application is made.
- 4.1.2. Where the permit fee is based on the value of construction, the fee shall be based on the higher of the "Project value est. \$" from the application form or the most applicable average value as reported in the most recent version of the OLMCBO Construction Value guide.
- 4.1.3. The OLMCBO Construction Value guide shall be made available on the municipal website.
- 4.1.4. Where a building contains multiple dwelling units, the fees shall be based on a per-unit price.
- 4.1.5. Where the scope of the proposed construction is such that the inspections applicable to the project exceed the permit cost when calculating each of the inspections at the rate of additional inspections as per the Fees and Charges By-Law, the Chief Building Official may add additional inspection fees as applicable.
 - 4.1.5.1. For the purposes of Subsection 4.1.5., the combination of administrative functions and the plans review shall be considered as one required inspection.
- 4.1.6. The fees for Modular Homes are applicable to situations where there are reduced inspections required due to typically on-grade foundation and the building above the foundation being delivered to the site in a predominantly finished condition. Required inspections for these types of buildings are simplified with only service connections and occupancy of the supported structure and limited other required inspections. Accordingly, only the following components & inspections are included in the reduced price:
 - 4.1.6.1. Readiness to construct footings
 - 4.1.6.2. Substantial completion of footings and foundations prior to commencement of backfilling
 - 4.1.6.3. Readiness for inspection and testing of building sewers, building drains, water service pipes, and drainage systems

4.1.6.4. Substantial completion of framing (foundation skirting and one entry stair/landing only)

4.1.6.5. Occupancy

4.1.7. Construction exceeding Subsection 4.1.6. will be evaluated by the Chief Building Official and may be subject to additional fees or classified as a Detached Dwelling if the scope of the project warrants as such.

4.1.8. Where the permit fee for an application exceeds \$10,000, the Chief Building Official may permit a deposit to be paid of not less than 35% of the estimated value of the permit. The final permit value shall be based on the applicable fees at the time of permit issuance. The balance shall be due at permit issuance less any deposit amounts paid.

4.1.9. Notwithstanding anything in this Subsection, if the Chief Building Official determines that additional fees are required, the applicant shall be notified, and no permit shall be issued until the total fee has been paid.

4.2. Complete Application

4.2.1. For an application to be deemed a complete application, the application shall meet the requirements of Division C, Sentence 1.3.1.3.(5) of the Code.

4.2.2. For the purposes of Division C, Clause 1.3.1.3.(5)(c) of the Code the minimum required fields on the application form and schedules shall be the highlighted fields in *“Appendix A – Required Application Fields”* and *“Appendix B – Required Schedule 1 Fields”*.

4.2.3. Where an application has been deemed complete, and the Chief Building Official has provided notice to the Applicant of any reason that a permit cannot be issued, including but not limited to a request for further documents, plans, or other information, or that part of the design does not appear to comply with the Act, the Code, or an Applicable Law, the notice shall be deemed as refusal to issue a permit in accordance with Division C, Clause 1.3.1.3.(1)(b) of the Code.

- 4.2.4. Where there are substantial changes to the design of the project, during the review process, that are not otherwise necessary for addressing any of the reasons that a permit cannot be issued, additional fees may be applied at the discretion of the Chief Building Official in accordance with the Fees and Charges By-Law.

4.3. Incomplete Application

- 4.3.1. An application that is not deemed a complete application, shall be deemed an incomplete application.
- 4.3.2. Where an Applicant is notified that an application is incomplete, the notice shall be deemed as a refusal to issue a permit in accordance with Division C, Clause 1.3.1.3.(1)(b) of the Code.

4.4. Time Periods for Applications

- 4.4.1. Where a notice of refusal to issue a permit in accordance with Subsections 4.2.4. or 4.3.2. of this By-Law has been provided to an Applicant, the time periods prescribed by the Code do not recommence unless the Applicant submits a new application.

4.5. Cancelled Applications

- 4.5.1. If an incomplete application remains in an incomplete state for longer than the time period prescribed in Table 4.5. in this By-Law, from the date the application is made, the application may be cancelled.
- 4.5.2. Where an application has been deemed complete, notice of refusal to issue permit in accordance with Division C, Clause 1.3.1.3.(1)(b) of the Code has been provided to the Applicant, and all reasons for refusal have not been appropriately addressed by the Applicant that would otherwise allow the Chief Building Official to issue a permit, the application may be cancelled if the time period prescribed in Table 4.5. in this By-Law has lapsed from the date the original notice of refusal was provided.
- 4.5.3. Where an application meets all the requirements that allow the Chief Building Official to issue the permit, but where the total amount of fees required by the Fees and Charges By-Law for the issuance of the permit, including any applicable development charges, have not been paid by the Applicant, the application may be cancelled if the time period prescribed in Table 4.5. in this By-Law has lapsed from the date the Applicant was notified of the amount of unpaid fees.

Table 4.5. – Time Period for Cancellation of Application

Column 1	Column 2
Building Type	Time Period for Cancellation of Application.
Houses, buildings accessory to a house, tents, signs, and designated structures	20 business days
Part 9 buildings other than described above	30 business days
Part 3 buildings other than described above, and retirement homes	40 business days
Post disaster buildings, high buildings, and buildings with an interconnected floor space	60 business days

- 4.5.4. Where more than one time period is applicable in Table 4.5, the greater time period shall apply.
- 4.5.5. Prior to cancelling an application, the Chief Building Official shall serve notice to the Applicant, either by personal service or email service to the address or email declared on the application form, that the Application will be cancelled.
- 4.5.6. Where notice is served by email, the Applicant shall be conclusively deemed for all purposes to have been served.
- 4.5.7. An Applicant may, within five (5) business days from the date served of a notice of application cancellation, request in writing that the Chief Building Official defer the cancellation by stating reasons why the application should not be cancelled.
- 4.5.8. The Chief Building Official, having regard to any changes to the Act, the Code, or an Applicable Law, may defer the cancellation request under Subsection 4.5.7. for a time period of not more than ten (10) business days from the original time period as determined by Table 4.5.
- 4.5.9. An Applicant may, by written notice to the Chief Building Official, request cancellation of the application at any time.

4.5.10. An Owner who has authorized an Applicant to apply for a permit for their property may, by written notice to the Chief Building Official, withdraw their authorization of the application at any time prior to the permit being issued, and upon receipt of the notice, the Chief Building Official shall cancel the application in accordance with Subsection 4.5.5. of this By-Law.

5. PERMIT ISSUANCE, TRANSFER, AND DOCUMENT RETENTION

5.1. Permit Issuance

- 5.1.1. Notwithstanding any other provision of this By-Law, all permits issued shall be issued in the name of the legal owner of the property.
- 5.1.2. If an E-Permitting System is in use in the Municipality, all permits shall be provided through the system to the Applicant, the Owner, and if known at the time of the application, the Builder.
- 5.1.3. If an E-Permitting System is not in use in the Municipality, the permit and all documents that form part of the permit will be emailed to the Applicant, the Owner, and if known at the time of application, the Builder.
- 5.1.4. Every person to whom a permit has been provided shall be responsible to download from the E-Permitting System, or email as applicable, the permit and all documents that form the permit, and shall retain a copy on the site of the construction.
- 5.1.5. Only the documents that have been certified by the Chief Building Official or Building Staff shall be deemed as the documents that form the permit.
- 5.1.6. Notwithstanding any request made under Subsection 3.4.5., there is no obligation on the Chief Building Official to issue a Conditional Permit. The decision of the Chief Building Official to issue or refuse a Conditional Permit is final and not appealable.

5.2. Transfer of Permit

- 5.2.1. When land ownership changes, a permit may be transferred to another person after the permit has been issued by submitting the following information and documents to the Chief Building Official:

- 5.2.1.1. Proof of ownership, such as land transfer or title documents;
- 5.2.1.2. The documents identified in Subsections 3.4.1.1. to 3.4.1.5. of this By-Law.
- 5.2.1.3. Payment of the permit transfer fee prescribed by the Fees and Charges By-Law.
- 5.2.2. When a permit is transferred, a new file shall be created, a new permit issued, including a new permit number, and the original permit file closed. Both the new and original files shall contain a reference to the other file.
- 5.2.3. The transfer of a permit does not constitute a reason for refunding of fees previously paid by the original permit Applicant.
- 5.2.4. The transfer of a permit does not absolve the new permit holder from compliance with the Act or the Code or correction of any deficiencies related to the project prior to their ownership.

5.3. Material Changes

- 5.3.1. Where there are material changes to the proposed construction after the permit has been issued, the designer shall submit revised designs, sufficient to determine compliance with the Code, to the Chief Building Official for review and authorization of the material change. Additional fees may be applicable at the discretion of the Chief Building Official in accordance with the Fees and Charges By-Law.

5.4. Revoking of Permits

- 5.4.1. Permits may be revoked by the Chief Building Official in accordance with Section 8(10) of the Act.
- 5.4.2. For the purposes of interpreting 8(10)(b) of the Act, the meaning of Seriously Commenced shall be as defined in Section 2 of this By-Law.
- 5.4.3. For the purposes of interpreting 8(10)(c) of the Act, the meanings of Substantially Suspended and Substantially Discontinued shall be as defined in Section 2 of this By-Law.

- 5.4.4. In the event a Permit is revoked, refund fees shall be applicable as per Subsection 4.7, except if a permit is revoked due to being issued on false information provided by the Applicant, in such event, no refund shall be issued.

5.5. Occupancy Permits

- 5.5.1. Where the project requires an occupancy permit, the fee for the occupancy permit is deemed to be included with the original permit fee except as per this Subsection.
- 5.5.2. Where the occupancy permit is requested prior to completion of the project such that occupancy may be granted but there are items remaining that require further inspections, a fee for the occupancy permit equal to the minimum permit fee shall be paid prior to issuance of the occupancy permit.
- 5.5.3. Where a project is scheduled such that there are multiple partial occupancies requested prior to completion of the project, a fee equal to the to the minimum permit fee shall be paid for each occupancy permit prior to issuance of the respective occupancy permit.
- 5.5.4. Where the occupancy permit is requested and it is determined at the time of inspection by the Building Inspector that occupancy has already taken place, a fee for the occupancy permit equal to double the minimum permit fee shall be paid prior to issuance of the occupancy permit.

6. THIRD-PARTY REVIEWS AND REFUNDS

6.1. Third-Party Review

- 6.1.1. Where an Applicant or designer proposes an alternative solution, or the use of innovative materials, systems or building designs that are not approved through a ruling by the Minister, or where the proposed design cannot reasonably be determined by the Chief Building Official as compliant with the Act or the Code, the Chief Building Official may utilize a third party review by a person possessing special or expert knowledge with respect to the proposed design or part of the design that is in question.
- 6.1.2. All fees and costs associated with a third-party review shall be paid by the Applicant in accordance with the Fees and Charges By-Law.

6.2. Refunds

- 6.2.1. Refunds of application and permit fees, where applicable, shall be made in accordance with Appendix C of this By-Law.
- 6.2.2. Any third-party review fees incurred related to a project are not applicable for refund.
- 6.2.3. No refund shall be made where the amount of refund payable is less than one hundred dollars (\$100)
- 6.2.4. No refund shall be made for any permit that exceeds three (3) years old.

7. PERMIT RENEWALS

7.1. Conditions for Renewal

- 7.1.1. Permits are considered valid for one calendar year from the date of issuance.
- 7.1.2. Permits where the proposed construction has not been Seriously Commenced, has been Substantially Discontinued or Substantially Suspended, may be renewed with the approval of the Chief Building Official.
- 7.1.3. Permits may be renewed by the original applicant or owner for periods not exceeding one year per renewal. The renewal date shall coincide with the original date of Permit issuance.
- 7.1.4. Where the Applicant initiates the renewal of the Permit, they shall make the request in writing, including providing a projected timeline for completion of the project.
- 7.1.5. Where a Permit is renewed and there have been changes to the Code or Act since the original date of Permit issuance, the Code or Act in effect at the time of issuance shall prevail, subject to any transitional rules within the Act or Code.
- 7.1.6. Where a Permit is renewed, all components of this By-Law shall be applicable to the renewed Permit, except for Sections 3 and 4.

7.2. Renewal Fees

- 7.2.1. Permit renewal fees shall be in accordance with the Fees and Charges By-Law.
- 7.2.2. Where the applicant initiates the renewal of the Permit the renewal fees shall be according to the Fees and Charges By-Law.
- 7.2.3. Where the applicant does not initiate the renewal of the Permit prior to its expiry and the Permit is required to remain valid due to incomplete construction, the renewal fees may be increased by an additional 25%.
- 7.2.4. The Chief Building Official may, with regard to staff involvement for the completion of a project, reduce or waive renewal fees at their discretion.

8. DOCUMENTATION

8.1. Document Retention

- 8.1.1. Except as required in this By-Law, documents related to applications and permits shall be retained in accordance with the records management and document retention by-laws and policies enacted by the Municipality.
- 8.1.2. All hard copy documents shall be scanned and converted to digital documents to be retained by the Municipality, the hard copy documents shall be destroyed thereafter, and the digital version of the documents shall be deemed to be true copies of the original for all purposes.
- 8.1.3. All permits that have been issued by the Chief Building Official, and all documents that form the permit, shall be retained by the Municipality permanently in digital format.
- 8.1.4. Where an application has been cancelled, permit refused, or otherwise and no permit has been issued, documents and forms submitted with the application shall be retained by the Municipality, in accordance with this section as a record of the cancelled application or refused permit.
- 8.1.5. Any documents deemed to be not part of the application as per Subsection 3.4.8., shall not be retained and shall be destroyed or deleted.

9. INSPECTIONS

9.1. Prescribed and Additional Inspection Notices

- 9.1.1. All prescribed inspection notices listed in Division C, Article 1.3.5.1. of the Code shall be required with respect to the construction proposed in the permit.
- 9.1.2. The Chief Building Official may require any of the additional inspection notices listed in Division C, Article 1.3.5.2. of the Code where the Chief Building Official has communicated to the person(s) to whom a permit has been provided that the additional inspection notice is required.
- 9.1.3. The required prescribed and additional inspection notices that relate to the type of construction proposed in the permit shall be noted on the permit.
- 9.1.4. Notwithstanding Subsection 9.1.3. of this By-Law, inspection notices noted on the permit shall be deemed for convenience only, and it shall be the responsibility of the person(s) to whom the permit has been provided to ensure that all inspection notices that relate to the construction are provided as required by the Act and the Code.

9.2. Request for Inspection

- 9.2.1. The person(s) to whom the permit has been issued shall provide notice to the Chief Building Official for each required prescribed and additional inspection notice by one of the following methods:
 - 9.2.1.1. E-Permitting System inspection request process, if such system exists;
 - 9.2.1.2. Phone call or voicemail to the Building Clerk at (613)-256-2064 ext 508; or,
 - 9.2.1.3. Email to the Building Clerk at building@mississippimills.ca.
 - 9.2.1.4. On a case-by-case basis, the Chief Building Official may approve other methods of booking inspections.
- 9.2.2. The person providing the inspection notice to the Chief Building Official shall ensure that the construction relevant to the requested inspection is ready for such inspection and that all required documentation to conduct the inspection is available on site.

- 9.2.3. Every inspection notice shall contain the following information:
- 9.2.3.1. The name of the prescribed or additional inspection notice and stage of construction that the inspection relates to;
 - 9.2.3.2. The permit number or civic address that relates to the project; and,
 - 9.2.3.3. Contact information for the individual making the request.
- 9.2.4. A notice or request for inspection that does not meet the criteria of Subsections 9.2.1. and 9.2.2. of this By-Law may be deemed invalid.
- 9.2.5. Where an inspector has deemed that a stage of construction does not meet the criteria for the prescribed or additional inspection notice, as it is described in Division C, Articles 1.3.5.1. and 1.3.5.2. of the Code, the permit holder shall provide a new notice for inspection when the criteria for that stage of construction has been met and shall not cover any portion of the work that will require inspection for that stage of construction.
- 9.2.6. In the event that re-inspection is required for any stage of construction, additional inspection fees may be added as per the Fees and Charges By-law.
- 9.2.7. If additional site visits, beyond the inspection stages outlined in Section 9.1, are required by Building Department staff to discuss or evaluate challenges imposed by site conditions, those site visits shall only be conducted with the prior approval of the Chief Building Official and additional inspection fees may be added as per the Fees and Charges By-law.
- 9.2.8. Inspections shall be conducted within two (2) business days of the date of making the request with the first day being the day after the request was made unless agreed to otherwise by the person making the request and the Chief Building Official.

9.3. Inspection Policy

- 9.3.1. Matters related to inspections, including but not limited to requirements for notice, readiness, condition of the construction site, access for inspector, and results of the inspection, shall comply with any Inspection Policy that has been established by the Chief Building Official.

10. FENCING

10.1. Fencing Requirements

- 10.1.1. Where in the opinion of the Chief Building Official, a construction or demolition site presents a hazard to the public, the Chief Building Official may, under Subsection 7(1) of the Act, require such fencing as they deem necessary to limit the hazard.
- 10.1.2. The height of the fence shall be a minimum of 1.2 meters (4 feet) to be measured from the highest adjacent grade or higher, if in the opinion of the Chief Building Official, it is deemed necessary to ensure public safety. The Chief Building Official may prescribe the height of the required fence as they deem appropriate to ensure public safety.
- 10.1.3. The fence construction shall be of sufficient construction that in the opinion of the Chief Building Official, it is sufficient to ensure public safety.

11. DELEGATION OF AUTHORITY

11.1. Conditional Permit Agreements

- 11.1.1. The Chief Building Official is hereby delegated the power to enter into and execute on behalf of the Municipality agreements described in Clause 8(3)(c) of the Act.

11.2. Emergency Appointment Provisions

- 11.2.1. Upon receiving notice of a declared state of emergency, the Chief Administrative Officer may authorize the Chief Building Official to appoint inspectors under Section 3 of the Act, including the function of revoking such appointments, subject to the following conditions:
 - 11.2.1.1. The Chief Administrative Officer has determined the state of emergency has overwhelmed the Building Department's resources;
 - 11.2.1.2. Prior to appointment, each inspector shall have the qualifications set out in the Code, as it relates to the position and the duties they will perform; and,

- 11.2.1.3. Any appointments made may be revoked at any time by the Chief Administrative Officer or the Chief Building Official, and all appointments shall be considered automatically revoked when the state of emergency is no longer in effect.

11.3. Delegation to Building Staff

- 11.3.1. Where notice or action is required by this By-Law by the Chief Building Official, with respect only to Applications, Permits, and Fees, the Chief Building Official may delegate the ability to provide or serve the notice to any Building Staff as they see fit, with the exception of Conditional Permits which may not be delegated

12. OFFICIAL COMPLAINTS

- 12.1. Complaints related to Building Code matters and enforcement, except for matters related to the Building Official Code of Conduct, shall be submitted to Building Staff by either email, written submission, or through the Municipality's website complaint form, and shall contain the civic address of the alleged contravention, the complainant's name, phone number, home address, email address, and sufficient information to describe the alleged contravention.
- 12.2. Complaints that do not contain all the information from Subsection 11.1. may be deemed by the Chief Building Official to not be valid complaints and not investigated.
- 12.3. Complaints related to refusal to issue a Permit in accordance with Division C of the Code may be deemed by the Chief Building Official to not be valid complaints and not investigated.
- 12.4. Complaints related to the Building Official Code of Conduct shall be submitted in accordance with the procedures described in that document which is attached as Appendix 'D' to this By-Law.

13. SEVERABILITY

- 13.1. If a court of competent jurisdiction should declare any section or part of a section of this By-law to be invalid, such section or part of a section shall not be construed as having persuaded or influenced Council to pass the remainder of this By-law and it is hereby declared that the remainder of this By-law shall be valid and shall remain in force.

14. REPEAL

14.1. By-law No. 18-23 as amended is hereby repealed in its entirety upon the day of passing of this by-law

15. EFFECTIVE DATE

15.1. This By-law shall come into force and take effect on the day of passing of this by-law.

BY-LAW READ, passed, signed, and sealed in open Council this **7th day of May, 2024**.

APPENDIX D to Bylaw 24-027

BUILDING OFFICIAL'S CODE OF CONDUCT

1. PURPOSE

The Municipality of Mississippi Mills has created this Code of Conduct in accordance with the provisions of The Building Code Act.

Building Officials conduct functions that ensure the quality, structural integrity, and safety of buildings. Building Officials are exposed to potential conflicts of interest because of the special powers granted to them. The conduct and behaviour of the Municipality of Mississippi Mills Building Officials reflect the Municipality of Mississippi Mills Building Department's commitment to the highest standards of professionalism, technical competence, skill, honesty, fairness, and independence. Building Officials observe both the letter and the spirit of this Code of Conduct as it pertains to situations that bear on their responsibilities.

This Code of Conduct shall not be construed to replace the Code of Conduct for the Corporation of the Municipality of Mississippi Mills, rather, it is a supplemental Code of Conduct for the Chief Building Official and Building Inspectors. Compliance with this Code of Conduct shall constitute a condition of employment as the Chief Building Official or a Building Inspector appointed under the Building Code Act.

The purpose of this Code of Conduct is threefold:

- 1.1 To promote appropriate standards of behaviour and enforcement actions by the Chief Building Official and Building Inspectors in the exercise of a power or the performance of a duty under the Building Code Act or the Ontario Building Code.
- 1.2 To prevent practices which may constitute an abuse of power, including unethical or illegal practices, by the Chief Building Official and Building Inspectors in the exercise of power or the performance of duty under the Building Code Act or the Ontario Building Code.
- 1.3 To promote appropriate standards of honesty and integrity in the exercise of power or the performance of duty under the Building Code Act or the Ontario Building Code by the Chief Building Official and Building Inspectors.

2. RESPONSIBILITIES

2.1 Standards of Behaviour

To ensure appropriate standards of behaviour, the Chief Building Official and Building Inspectors **shall**:

- 2.1.1 Strive to behave in a professional, courteous, and objective manner when dealing with all persons.
- 2.1.2 Treat all people with respect, integrity, and honesty.
- 2.1.3 Treat all people in a fair manner regardless of past interactions, personal feelings, or opinions.
- 2.1.4 Always attempt to resolve any violation of the Ontario Building Code in a co-operative manner.
- 2.1.5 Process complete permit applications in an efficient and effective manner whenever possible, which typically includes the order in which they were received.
- 2.1.6 Manage confidential and sensitive information according to the Municipality's guidelines and relevant legislation, and ensure that no information that is collected, produced, or obtained in the course of their duties, regardless of the method of which it is collected, produced, or obtained, is disclosed without proper approval.
- 2.1.7 Declare in writing, any construction work on their own property subject to the Ontario Building Code, if located within the Municipality.

2.2 Standards of Enforcement

To ensure appropriate standards of enforcement the Chief Building Official and Building Inspectors **shall**:

- 2.2.1 Always act in the interest of the health and safety of the public.
- 2.2.2 Be committed to continuous learning including keeping up to date with any changes to the Ontario Building Code and completing any training required by the Ministry of Municipal Affairs and Housing.
- 2.2.3 Only conduct application reviews/inspections for which they are qualified to do so, unless otherwise approved by the Chief Building Official.
- 2.2.4 Hold all persons to the same set of standards as outlined in the Ontario Building Code.
- 2.2.5 **Not** ignore a violation of the Ontario Building Code and shall act to enforce compliance.
- 2.2.6 Consult with the Chief Building Official before issuing any orders against any projects.

2.3 Prevention of Unethical/Illegal Practices

To prevent unethical/illegal practices the Chief Building Official and Building Inspectors

shall not:

- 2.3.1 Accept any gifts, favours, hospitality, or entertainment from any persons and avoid all circumstances that could comprise professional integrity.
- 2.3.2 Perform any service or employment, paid or otherwise, for a local builder, contractor or developer operating within the Municipality, which may be construed as creating a conflict of interest. If any doubt does exist regarding conflict-of-interest, approval from the Chief Building Official or Director of Development Services and Engineering must be granted in writing before performing the service.
- 2.3.3 Perform any construction work, for profit or for which a building permit is required within the Municipality. Notwithstanding this provision, this does not prohibit an employee for volunteering their time with a not-for-profit organization or agency as long as the employee has declared this with their supervisor in writing.

3. BREACH OF CODE OF CONDUCT

3.1 Allegations

In the event of an allegation of breach of the Code of Conduct:

- 3.1.1 The party making the allegation, shall do so in writing, including identifying the component of the Code of Conduct that has been breached, the individual who allegedly made the breach and sufficient information for the allegation to be investigated.
- 3.1.2 The written allegation shall be submitted to:
 - i. the Chief Building Official and Clerk in the event the allegation is against a Building Inspector, or
 - ii. to the Director of Development Services and Engineering and Clerk in the event the allegation is against the Chief Building Official.
- 3.1.3 All allegations shall be investigated thoroughly by an investigating official identified as follows:
 - i. If the allegation is against a Building Inspector, the Chief Building Official shall investigate.
 - ii. If the allegation is against the Chief Building Official, the Director of Development Services and Engineering and Clerk shall investigate.
- 3.1.4 For clarity, refusal to issue a building permit for any of the reasons identified in Division C – Administrative Provisions of the Ontario Building Code does not constitute a breach of this Code of Conduct.

3.2 Investigations

During the investigation of alleged breach of the Code of Conduct:

- 3.2.1 The party making the allegation shall be given the opportunity to present their interpretation of events.
- 3.2.2 The party being investigated shall be given the opportunity to review all documents submitted by the party making the allegation.
- 3.2.3 The party being investigated shall be given the opportunity to present their interpretation of events.
- 3.2.4 The investigating official may seek input from any relevant third party.
- 3.2.5 The investigating official shall take into account the employment record of the alleged offending party.

3.3 Disciplinary Action

If a breach of the Code of Conduct has occurred, the party found to be in breach may be subjected to any of the following disciplinary action, as per the Municipality's Disciplinary Policy:

- 3.3.1 Verbal and written reprimand
- 3.3.2 Suspension with or without pay; or
- 3.3.3 Termination of employment

Any complaints received under this Code of Conduct shall be reported by the Clerk to Council in the same manner as other formal complaints are reported to Council.

4. PUBLICATION OF CODE

This Code of Conduct shall be brought to the attention of the public in the following manner:

- 4.1 Posting on the municipal website.
- 4.2 Posting at the customer service counter for the Building Department.
